

GRIEVANCE PROCEDURES POLICY

Good relationships within the school community give children a greater chance of success and help to ensure that positive working relationships between all stakeholders in the school can be maintained and repaired.

The Policy is underpinned on the basic principles that: Everyone should be treated with respect; All parties will listen to concerns with an open mind and investigate all relevant issues carefully; Confidentiality will be respected and maintained during and following the resolution process; Meetings to discuss grievances will be suspended if any person(s) behave in an insulting or offensive manner. However, in the event of a grievance, the following guidelines may be used. For further detail refer to the DECD documents – ‘Grievance Procedures for Employees’ and the ‘Grievance Resolution Policy’.
